

# Statement to Our Customers

---

It is with very mixed emotions that we have decided to call an end to our pie making days.

A huge amount of time, thought, tears and laughter has gone into making this decision and many different factors have steered us down this road; most notably our two beautiful boys who weren't around when we first began our pie journey.

We will continue to make pies until the 31<sup>st</sup> July with the Big Cheese & Llanyrafon Manor Market being our last days of trade. We do (of course) have a huge amount of equipment we will be selling if you are interested please email us directly to [info@elmtreefoods.com](mailto:info@elmtreefoods.com)

We would like to thank all our wonderful customers, market /event organisers and our fellow traders for all the endless support, amazing times, the countless memories and the hilarious laughs!

I personally would also like to thank Cheryll & Steve for your never ending support of my ideas and for standing by me with every risk we took. Also, my dad (Crazy Dave) who gave me the £300.00 to set this baby up, and our wonderful, loyal staff who have become part of the family and are supporting us to the end...and then some!

This is a bittersweet time for us, so please go gently when we next see each other. We are still on the scene until July 31<sup>st</sup> 2017.

As an aside Elm Tree Foods Ltd will continue to exist, just without our lovely pies.

Thank you all again for this fabulous time in our lives.

Collette, Cheryll & Steve
